

**K&T Heating**

Job Title: ***Electrician***

Department/Location: ***Compliance Gas, K&T Heating***

K&T Heating provides gas compliance services for local authority and housing associations and is looking to employ two fully qualified electricians to join our growing electrical department. The role is full time, working 40 hours per week Monday-Friday, however you will be required to be part of a call out rota.

Primarily you will be working within the domestic sector diagnosing and resolving electrical faults within residents homes. Other elements of the role include carrying out risk assessments and planning, carrying out planned works and reactive maintenance.

Ideal candidates must have a full clean UK driver's license and will need to be qualified in wiring of system boiler 'S' plan and 'Y' plan and 18<sup>th</sup> Edition. We are also interested in qualifications such as C&G 2391 or C&G 2395 – Testing and inspection.

We are looking for hardworking individuals who will offer seamless and professional service, representing the organisation to a high standard at all times. You will have high levels of customer care in dealing with clients and tenants to meet required quality standards.

Successful candidates will benefit from Company van, Fuel card, Company phone, Holiday pay, Auto Enrolment Pension.

If you believe you have the relevant skills, knowledge and experience to be a key contributor to the future of K&T Heating, please apply now!
