Notes to editors

Lakehouse is an asset and energy support services group that constructs, improves, maintains and provides services to homes, schools, public and commercial buildings with a focus on clients in the UK public sector and regulated markets. Services are delivered through four divisions: Compliance, Energy Services, Property Services and Construction.

The Group was founded in 1988 and is headquartered in Romford, Essex. It currently employs some 2,200 staff from 32 offices across the UK.
